September 2016

# Tariff terms and conditions

## About your tariff

Fix & Reward September 2016 prices are fixed until 30th September 2016. You'll pay a daily standing charge and single unit rate.

## Your extras for signing up to this tariff

The first time you sign up to this tariff for both gas and electricity we'll give your household one £50 Amazon.co.uk Gift Certificate.

You'll get one Amazon.co.uk Gift Certificate no later than 28 days after we switch on your supply or switch you to this tariff for the first time.

The Amazon.co.uk Gift Certificate may only be redeemed against purchases made on [www.amazon.co.uk](http://www.amazon.co.uk).

Amazon.co.uk is not a sponsor of this promotion. Amazon.co.uk Gift Certificates ("GCs") may be redeemed on the Amazon.co.uk website towards the purchase of eligible products listed in our online catalogue and sold by Amazon.co.uk or any other seller selling through Amazon.co.uk. GCs cannot be reloaded, resold, transferred for value, redeemed for cash or applied to any other account. Amazon.co.uk is not responsible if a GC is lost, stolen, destroyed or used without permission. See [www.amazon.co.uk/gc-legal](http://www.amazon.co.uk/gc-legal) for complete terms and conditions. GCs are issued by Amazon EU S.à r.l. All Amazon ®, ™ & © are IP of Amazon.com, Inc. or its affiliates.

## Paying for your energy

You'll need to stay a Dual Fuel customer (with both fuels on this tariff) and pay by Direct Debit, Cash or Cheque. If you don't, your rates will change and your prices may be higher.

If you pay by Direct Debit but miss any payments, we can ask you to pay by Cash or Cheque. Your prices would go up – we'll explain the difference in your contract pack, or you can find the details on our website. We'd write to you at least seven working days before changing how you pay.

## If you change your meter

If you move to a Pay As You Go meter, we'll change your tariff to British Gas' cheapest variable price tariff (no end date) at the time.

## At the end of the tariff

Before this tariff ends, we'll write to tell you what will happen next. If we don't hear from you, we'll move you to the cheapest variable price tariff (no end date) we have available on 30th September 2016.

## Other things to bear in mind

We'll offer Fix & Reward September 2016 prices until 30th September 2016, unless the government or regulator does something or plans something that means we can't. (We hope they won't, but we have to let you know.)

We can only sell so many Fix & Reward September 2016 tariffs, and we might withdraw it. The prices might change depending on regulations and how you pay. We also have to add VAT.

Our usual [terms and conditions of supply](#) also apply.
