## Your extras for signing up to this tariff

## Paying for your energy

You'll need to stay a Dual Fuel customer and pay by Direct Debit. If you don't, your rates will change and your prices may be higher.

If you pay by Direct Debit but miss any payments, we can ask you to pay by cash or cheque. Your prices would go up – we'll explain the difference in your contract pack, or you can find the details at [britishgas.co.uk/alltariffs](http://britishgas.co.uk/alltariffs). We'd write to you at least seven working days before changing how you pay.

## If you change your meter

If you move to a prepayment meter, we'll switch your tariff to our cheapest variable price tariff (no end date) at the time.

## At the end of the tariff

Before this tariff ends, we'll write to tell you what will happen next. If we don't hear from you, we'll move you to the cheapest variable price tariff (no end date) we have available on 30th June 2017.

## Other things to bear in mind

HomeEnergy Reward Jun 17 prices are fixed until 30th June 2017 unless the government or regulator does something or plans something that means we can't. (We hope they won't, but we have to let you know.)

We'll only sell so many HomeEnergy Reward Jun 17 tariffs, and we might withdraw it. We'll also add VAT.

Our usual [terms and conditions of supply](#) also apply.
