

Off Peak Saver

# Tariff terms and conditions

During the Peak period between 4pm and 8pm every day, Off-Peak Saver electricity rates are at a premium to our Standard variable rates. During the Off-Peak period at all other times, Off-Peak Saver electricity rates are at a discount to our Standard variable rates.

Only available to customers with a credit smart meter installed by British Gas after 21st April 2010. Excludes Pay As You Go Energy™ customers. If you are or become at any time after you take up Off-Peak Saver tariff a Pay As You Go Energy™ customer for either gas or electricity, or you no longer have a smart meter, we reserve the right to transfer you to our Standard tariff.

Our usual [terms and conditions of supply](#) also apply.
