

Price Promise July 2015

Tariff terms and conditions

Price Promise July 2015 rates are fixed until 31st July 2015. This tariff is based on a daily standing charge and a single unit rate. At the end of Price Promise July 2015, we will move you onto our standard variable tariff in market at that time. Price Promise July 2015 is subject to availability and may be withdrawn at any time.

If you cancel this agreement (for example by switching to a new tariff with us or to another energy supplier) before 31st July 2015, we may apply an exit fee (inclusive of VAT) of £50 for electricity and £50 for gas. These will not be applied if you move home. Exit fees will be collected, before any other amounts you owe us, from payments you make or any credit balance you have.

Price Promise July 2015 rates are subject to any VAT and regulatory changes and changes to discounts applied to your bill.

These terms and conditions apply in addition to our standard terms and conditions of supply which can be found on our website.

We will honour Price Promise July 2015 rates unless we are prevented from doing so by the action or anticipated action of any governmental or statutory body.

Our usual [terms and conditions of supply](#) also apply.
