Gas and Electric Dual Lay Application Form

Thanks for your enquiry. Please take a few minutes to complete the information below and send it back to us with a LOCATION PLAN and SITE LAYOUT indicating your preferred mains route for gas and electric, plot numbers and PROPOSED METER LOCATIONS (all subject to approval by British Gas. Also, please note that we can only quote dual lay for 25 properties or more). All plans must be to scale. Please also identify any roadways that are NOT subject to adoption by the Local Authority. Please provide elevation plans for any gas/electric meters that are not to be installed at ground level (i.e. flatted properties). It is important that all fields are completed. IF YOU NEED ANY HELP OR ADVICE, PLEASE CALL US ON 0333 202 9472 – Option 2.

Please note: This form is two pages, please complete the form in it's entirety to avoid any delays in the process of your application.

OFFICE USE ONLY UIP Ref No: Shipper Ref No: Account Manager:

1. DEVELOPER/CUSTOMER DETAILS

Developers Name: Contact Name:

Office Address:

Postcode:

Telephone No: Mobile No:

Email Address:

2. SITE ADDRESS

Site Location: Previous application number if any:

Site Address:

Postcode:

3. SITE DETAILS (Please tick as applicable and provide additional information on a separate sheet as necessary)

- In addition to properties applied for, will future development be fed from this site? *If answered yes, please mark position of future development on your plan and indicate the house type and number of bedrooms per property, if known. Yes ☐ No ☐

- Would you like to have street lighting included your quotation? Yes ☐ No ☐

- It would help us if we knew your planning reference number: Local Authority Planning Ref

4. DOMESTIC HOUSE TYPES WITH GAS HEATING

No of Bed-rooms	Detached House	Semi-Detached House	Terraced House	Flats	Detached Bungalow	Semi-Detached Bungalow	Other	Total
1								
2								
3								
4								
5								
6								

- Are properties timber framed? Yes ☐ No ☐ (If yes, please note in some instances we only allow Universal meter boxes)

- Will any individual meter use more than 60kw? Yes ☐ No ☐ (Please provide additional information on a separate sheet as necessary)

IMPORTANT NOTE: To meet with Government energy policy, we now fit smart meters as standard unless difficulties prevent their function. Please also note British Gas will be the designated supplier for each property for both gas and electric.

5. TYPE OF GAS METER BOX Please identify what types of meter boxes you require.

Built in (recessed) No. ☐ (X) Universal No. ☐ (U) Surface Mounted No. ☐ (B) Internal No. ☐ (I)

IMPORTANT NOTE: PLEASE SEE ATTACHED GUIDANCE ON METER POSITIONS.

IMPORTANT NOTE: Choosing a universal meter box is conditional on the Developer taking full responsibility for any future claims associated with trips or falls, resulting in injury, due to the box being placed in an unsuitable position against BGNHC advice.

6. YOUR BUILD PROGRAMME

When will gas/ electricity be required at the first property? Day Month Year
